

URGENT NOTICE – Potential Juror Scam

Friday, 11 April 2014 15:09 - Last Updated Friday, 25 April 2014 15:55

Chief Judge Peter Weinstein once again issues a warning to Broward County residents regarding juror scams. While it is important that citizens respond to the call for jury duty, Broward residents should know that the jury services division in the 17th circuit and law enforcement agencies throughout the county **will never** contact citizens via phone to solicit money or social security numbers for failure to appear at jury duty. If you are contacted by anyone telling you that there is a warrant for your arrest for failure to appear at jury duty and/or telling you that if you submit payment you will not be arrested,

hang up the phone

and contact Broward County Jury Services at 954-831-6089.
