

IN THE CIRCUIT COURT OF THE SEVENTEENTH
JUDICIAL CIRCUIT IN AND FOR BROWARD COUNTY, FLORIDA

Order Number 2015-14-Crim

ADMINISTRATIVE ORDER ESTABLISHING A BOND SCHEDULE

(a) Florida Rule of Judicial Administration 2.215(b)(3) states the chief judge shall “develop an administrative plan for the efficient and proper administration of all courts within that circuit.”

(b) The County is under a Federal decree with regard to the jail population. To balance the space limitations of the jail and the need to protect the public, it is necessary to establish a bond schedule to allow for the release of individuals arrested for certain crimes prior to a First Appearance Hearing .

(c) However, the Court finds that the bond determination for certain serious offenses requires individual determination by a First Appearance Judge. As a result, individuals arrested for certain serious crimes shall not be released until a judicial determination of the conditions of release at a First Appearance Hearing.

(d) The First Appearance Judge may set bond and the conditions of release in accord with Florida Rule of Criminal Procedure 3.131, after consideration of the factors listed in Rule 3.131 and Section 903.046, Florida Statutes, including the nature and circumstances of the charged offense, the defendant’s ties to the community, and the defendant’s criminal history. In accordance with the authority vested in the chief judge by Florida Rule of Judicial Administration 2.215, it is ordered effective May 18, 2015:

(1) Any individual arrested and taken into custody in Broward County shall be provided an initial bond or no bond in accordance with the attached schedule. The term no bond shall also include hold for magistrate. The bond schedule may be amended from time to time without notice. The official copy of the most current schedule shall be maintained in Court Administration and posted on the Seventeenth Judicial Circuit's web page.

(2) If the charge does not have an initial bond, or if the individual is not able to post bond, the individual shall be brought before a judge for a First Appearance Hearing.

(3) If an individual is arrested for more than one misdemeanor arising out of the same incident, but no felonies, the initial bond shall be determined by the severest misdemeanor charge with all remaining misdemeanor charges being issued a notice to appear at booking. A notice to appear may not be issued at arrest or booking for a misdemeanor driving under the influence, boating under the influence, driving while intoxicated, prostitution, or domestic violence.

(4) If an individual is arrested for one or more misdemeanors and felonies arising out of the same incident then the initial bond shall be determined by the severest felony charge with the misdemeanor charge or misdemeanor charges being issued a notice to appear at booking. A notice to appear may not be issued at arrest or booking for a misdemeanor driving under the influence, boating under the influence, driving while intoxicated, prostitution, or domestic violence.

(5) If an individual is arrested for a charge not on the attached schedule, the initial bond is established as follows:

Charge	Coding	Bond Amount
Capital Offense	6FY	No Bond
First Degree Life Felony		No Bond
First Degree Felony	7FY	\$7,500.00
Second Degree Felony	2FY	\$3,500.00
Third Degree Felony	3FY	\$1,000.00
Fist Degree Misdemeanor	1MY	\$100.00
Second Degree Misdemeanor	2MY	\$25.00

(6) This Administrative Order rescinds and supersedes Administrative Order III-04-C-6B and 2013-27-Crim on May 18, 2015.

DONE AND ORDERED in chambers at Fort Lauderdale, Broward County, Florida on April 23, 2015.

s/Peter M. Weinstein
