Broward County Public Schools announces dates for the Class of 2020 virtual graduation ceremonies, scheduled to take place from June 15 – 28.

Each graduation ceremony will broadcast live on BECON-TV and stream live via YouTube so family and friends, local and across the country, can join in celebrating this milestone achievement of their seniors.

All ceremonies will provide the traditional pomp and circumstance, including speeches by student representatives, School Board members, District and school administrators, roll call of graduates and other school graduation traditions.

The decision for virtual graduation ceremonies came after meetings between administrators, teachers and student leaders to provide input and consider graduation options.

Additional plans for recognizing the Class of 2020 and celebrating seniors are forthcoming. Graduates and parents will receive cap and gown information and specific graduation plans from their respective schools.
