*(Amending Exhibits only)*

**ESTABLISHMENT & IMPLEMENTATION OF CIVIL CASE  
MANAGEMENT PLAN**

---

(a) Pursuant to Article V, section 2(d) of the Florida Constitution, and section 43.26, Florida Statutes, the chief judge of each judicial circuit is charged with the authority and the power to do everything necessary to promote the prompt and efficient administration of justice.

(b) Florida Rule of General Practice and Judicial Administration 2.215(b)(3) states the chief judge “ensures the efficient and proper administration of all courts within [this] circuit, considering available resources.”

(c) Pursuant to Florida Rule of General Practice and Judicial Administration 2.545(a), (b) and (e), judges are required to conclude litigation as soon as it is reasonably and justly possible, to take charge of cases at an early stage, and to control the progress of cases. It is recognized, however, there are cases that, because of their complexity, present problems that cause reasonable delays. Notwithstanding, most cases should be completed within the time periods set forth in Florida Rule of General Practice and Judicial Administration 2.250.

(d) Florida Supreme Court Administrative Order AOSC23-0962 (December 5, 2024), adopted changes to the Florida Rules of Civil Procedure, effective January 1, 2025 to promote the fair and timely resolution of civil cases and to codify active case management for civil cases, including the use of Case Management Orders requiring specific deadlines according to whether a case is categorized as complex, streamlined or general.<sup>1</sup>

(e) Florida Supreme Court Administrative Order AOSC23-0837 (March 21, 2024) approved the amendments to the Florida Rules of General Practice and Judicial Administration, effective July 1, 2024 to promote efficient case management.<sup>2</sup>

---

<sup>1</sup> Effective January 1, 2025: Rule 1.200 (Case Management rewritten); (Pretrial Procedure, amended); Rule 1.201 (Complex Litigation amended); Rule 1.280 (General Provisions Governing Discovery amended); Rule 1.440 (Setting Action for Trial, amended); and Rule 1.460 (Motion to Continue Trial, amended).

<sup>2</sup> Effective July 1, 2024: Florida Rules of General Practice and Judicial Administration, Rules 2.215 (Trial Court Administration, amended); 2.250 (Time Standards for Trial and Appellate Courts and Reporting Requirements amended); Rule 2.546 (Active and Inactive Case Status, new); 2.550 (Calendar Conflicts, amended); and Form 2.604

(f) Florida Supreme Court Administrative Order AOSC24-0662 (December 5, 2024), adopts a new Florida Rule of Civil Procedure 1.202 (Conferral Prior to Filing Motions) and amends Florida Rule of Civil Procedure 1.510 (Summary Judgement).

(g) In accordance with the authority vested in the Chief Judge by Article V, section 2(d) of the Florida Constitution, section 43.26, Florida Statutes, Florida Rule of General Practice and Judicial Administration 2.215, and pursuant to Florida Supreme Court Administrative Orders: AOSC23-0837 (March 21, 2024), AOSC-0962 (December 5, 2024) and AOSC24-0662 (December 5, 2024), it is hereby **ORDERED:**

(1) All Seventeenth Judicial Circuit and Broward County Judges are to strictly comply with the requirements of Florida Rule of General Practice and Judicial Administration 2.545(a), (b), and (e), and SC2023-0837 (March 21, 2024) which respectively require judges to conclude litigation as soon as it is reasonably and justly possible to do so, to take charge of all cases at an early stage and to actively control the progress of the cases thereafter until they are determined, and to apply a firm continuance policy allowing continuances only for good cause shown.

(2) All attorneys practicing in the Seventeenth Judicial Circuit must strictly comply with Florida Rule of General Practice and Judicial Administration 2.545(a), which requires attorneys to conclude litigation as soon as it is reasonably and justly possible to do so.

(3) Consistent with the dictates above and in compliance with SC2023-0962 (December 5, 2024) and, there is established in the Seventeenth Judicial Circuit a Civil Case Management Plan as set forth herein, applicable to all civil cases,<sup>3</sup> which will be administered for the implementation of enhanced case management procedures and guidelines for the timely and efficient processing of civil cases.

(4) The Civil Case Management Plan is to be used for the purpose of establishing time standards, improving the court's ability to provide early and continuous management of civil cases as required by Florida Rule of General Practice and Judicial Administration 2.545, and to promote uniformity of practice throughout the Seventeenth Judicial Circuit.

---

(Notice of Pending Matter); Form 2.604 (Notice of Inactive Status) and Form 2.606 (Notice of Active Status), amended or added.

<sup>3</sup> For purposes of this Administrative Order the term "civil case" means actions to which the Florida Rules of Civil Procedure apply, as identified in Florida Rule of Civil Procedure 1.010, and actions in which the court has ordered that the action proceed under one or more of the Florida Rules of Civil Procedure pursuant to Florida Small Claims Rule 7.020(c) if the deadline for the trial date specified in Florida Small Claims Rule 7.090(d) no longer applies in the action, but does not include actions subject to section 51.011, Florida Statutes, post-judgment proceedings, writs to which Florida Rule of Civil Procedure 1.630 applies, and those excluded by Fla. R. Civ. P. 1.200.

(5) The procedures and time standards set forth herein are intended to facilitate the timely, fair and effective resolution of civil cases consistent with the time frames set forth in Florida Rule of General Practice and Judicial Administration 2.250 while ensuring the efficient use of court resources. The procedures and time standards do not supplant any existing rule, statute, or law and comply with the changes in Florida Rule of Civil Procedure as adopted by the Florida Supreme Court in SC2023-0962 (December 5, 2024), SC2023-0837 (March 21, 2024) and SC 2024-0662 (December 5, 2024).

### **Case Track Assignment:**

(1) Not later than 120 days after an action commences as provided in Rule 1.050, the court must assign each civil case to one of three case management tracks: streamlined, general, or complex based upon information listed on the Civil Cover Sheet and according to the case classifications attached hereto, as Exhibit “A”. After the initial designation as complex, streamlined, or general, a track assignment may be changed by the court on its own motion or a change can be requested by a party upon a motion promptly filed after the appearance of good cause to support the motion. Any case initially designated as streamlined or general must comply with Administrative Order 2017-35-Civ (Amendment 1), as such may be amended from time to time, before being designated complex and assigned to a complex litigation division. Nothing herein prohibits a judge presiding over a general civil division from declaring an action complex and directing that the action remain in his or her general civil division for disposition.

- a. Complex Case Track. The complex case track involves those actions with extraordinary complexity as to require or benefit from early intervention and individual judicial management, and are those cases that have been or may be designated by court order as complex under Florida Rule of Civil Procedure 1.201, or which may be direct filed to a complex litigation division or declared complex and assigned to a complex litigation division pursuant to Seventeenth Judicial Circuit Administrative Order 2017-35-Civ, as amended. Due to the nature of cases filed in County Court, cases qualifying for this designation in County Court should be extremely rare and must be approved for such designation in writing by the Chief Judge or the Administrative Judge of County Court.
- b. Streamlined Cases. Streamlined cases are those cases that reflect mutual knowledge of the underlying facts and normally requiring little judicial intervention and which have relatively simple procedural and legal issues that can be resolved promptly by early referral to mediation, Alternative Dispute Resolution or expedited hearing. Notwithstanding the case

classifications attached hereto, to determine whether a case is streamlined, the presiding judge shall consider whether the case involves:

- i. Few parties;
- ii. Non-complex issues related to liability and damages;
- iii. Few anticipated dispositive pretrial motions;
- iv. Limited need for discovery;
- v. Few witnesses;
- vi. Minimal documentary evidence;
- vii. An anticipated trial length of less than three (3) days; and
- viii. Any other factor relevant to proper case management.

- c. General Cases. These cases represent the large majority of standard civil cases that do not meet criteria of streamlined or complex.

**(2) Time Standards & Goals.** The time standards set forth herein are directives established by Florida Supreme Court Administrative Order AOSC2023-0837 (March 21, 2024) and Florida Rule of General Practice and Judicial Administration 2.250, and are intended to be presumptively reasonable time periods for disposition of civil cases in trial courts except where periods where a case is on inactive status which are excluded from the time periods set forth herein. Deadlines are strictly enforced in accordance with Fla. R. Civ. P. 1.200. However, upon a showing of extraordinary circumstances, certain unique cases may have cause for reasonable delay beyond these periods. Most cases should, however, be completed within the following time periods and the presiding judge shall take appropriate action to manage new and existing cases to bring such matters to disposition within such times<sup>4</sup>:

- a. Complex cases: disposed within 30 months
- b. General cases: disposed within 18 months
- c. Streamlined cases: disposed within 12 months
- d. Small Claims: 95 days from commencement of action, as provided in Florida small claims Rule of Procedure 7.050.

### **(3) Assignment to Case Tracks – General and Streamlined Cases**

- a. A case classification is determined upon filing the initial complaint in accordance with the classifications set forth in Exhibits “A” for Circuit Civil Cases and “M” for County Court Cases.

---

<sup>4</sup> Time begins from the date of service of initial process on the last defendant or 120 days after commencement of the action as provided in Florida Rule of Civil Procedure 1.050, whichever occurs first.

- b. Disagreement as to case classification. If the parties do not agree to the classification of the case as general or streamlined, the presiding judge shall determine the appropriate designation upon motion. The moving party shall bear the burden of demonstrating the propriety of the case classification, unless all parties agree to a designation.

**(4) Assignment to Case Track – Complex**

a. Circuit Court

- i. For assignment of a case to a complex litigation division (business or tort) the parties must comply with Administrative Order 2017-35-Civ, as amended.
- ii. Establishing Procedures for Direct Filing or Reassignment of Circuit Civil Cases to a Complex Business or Complex Tort Division, as such may be amended from time to time. This does not preclude a civil case from being designated complex by the presiding judge of a general civil division and such case remaining in a general civil division.

b. County Court

- i. Motion by Parties. Any party to a County Court civil action may file a written motion with a courtesy copy provided to the assigned division judge requesting the case be designated as complex. Upon receipt, the motion should be referred to the Chief Judge or Administrative Judge for the County Court for ultimate determination.
- ii. On Court's Order. If the division judge, after receipt of all the pleadings believes there is a colorable basis for designating the matter complex, the case shall be referred to the Chief Judge or Administrative Judge for the County Court for ultimate determination.
- iii. In those extremely rare cases in which the Court issues an order designating a county court civil case as complex, the parties shall be required to comply with the procedures for complex cases as set forth in Administrative Order 2017-35-Civ, as such may be amended from time to time, and Florida Rule of Civil Procedure 1.201.

### UNIFORM CASE MANAGEMENT ORDER (CIRCUIT CIVIL GENERAL TRACK)

#### **ALL PARTIES MUST READ CAREFULLY/STRICT COMPLIANCE IS MANDATORY**

THE DEADLINES LISTED HEREIN **MUST** BE **STRICTLY ENFORCED** UNLESS CHANGED BY COURT ORDER. STRICT COMPLIANCE MEANS NO CONTINUANCES OR EXTENSIONS WILL BE GRANTED WITHOUT COURT ORDER UPON WRITTEN MOTION SETTING FORTH GOOD CAUSE, PURSUANT TO IN RE: AMEND. TO FLA. R. CIV. P., NO. SC23-0962 (December 5, 2024), FLA. R. CIV. P. 1.200, FLA. R. CIV. P. 1.460, AND FLA. R. GEN. PRAC. & JUD. ADMIN. 2.545(e).

FAILURE TO ATTEND A **MANDATORY** CASE MANAGEMENT CONFERENCE MAY RESULT IN THE COURT DISMISSING THE ACTION, ENTERING A DEFAULT, STRIKING THE PLEADINGS, LIMITING PROOF OF WITNESSES, OR ANY OTHER APPROPRIATE ACTION AGAINST THE PARTY FAILING TO ATTEND. (Fla. R. Civ. P. 1.200(j)(6)).

THIS CASE MANAGEMENT ORDER SUPERSEDES ANY PRIOR CASE MANAGEMENT ORDER ENTERED IN THIS CASE.

This case has been designated to the **GENERAL CIVIL TRACK**. The deadlines established by this Order are to ensure the case is disposed of within 18 months from the date of service of initial process on the last defendant or 120 days after commencement of the action as provided in rule 1.050, whichever occurs first. Accordingly, the following procedures and deadlines shall be strictly observed by the parties and enforced by the court:

1. **SCHEDULING OF A MANDATORY CASE MANAGEMENT CONFERENCE:**

☐ (Applicable if checked): A **MANDATORY** Case Management Conference will be held on zoom (\_\_\_\_\_) or in Courtroom \_\_\_\_\_ on \_\_\_\_\_ at \_\_\_\_\_ am/pm.

During the case management conference, the Court may elect to hear any pending motion, even if the parties have not identified the motion as an issue to be resolved. Motions for summary judgment and matters requiring an evidentiary hearing may not be heard unless agreed to by the parties and the court. (Fla. R. Civ. P. 1.200(j)(2)).

**On any matters ruled upon, unless otherwise ordered, within five (5) days following the Case Management Conference, counsel for Plaintiff(s) shall prepare an order pursuant to Florida Rule of Civil Procedure 1.200(j)(5).**

2. **COMPLAINT:** The Complaint shall be served within 120 days of filing. Failure to perfect service within 120 days shall subject the action to dismissal without prejudice or dropping of that party as a defendant. If plaintiff shows good cause or excusable neglect for failure to serve within 120 days, the court shall extend the time for service for an appropriate period. (Fla. R. Civ. P. 1.070(j)).

3. NOTICE OF SERVICE OF COMPLAINT: Upon service of the complaint on the last of all named defendants in a civil action, the plaintiff will file a Notice of Service and provide a courtesy copy of the Notice of Service to the assigned trial judge. A fillable PDF form “Notice of Service” is available on the Circuit’s webpage ([www.17th.flcourts.org](http://www.17th.flcourts.org)).
4. TRIAL: Trial will be set in accordance with Florida Rule of Civil Procedure 1.440. The court will issue a separate Uniform Trial Order scheduling Calendar Call and setting the Trial Period. The action no longer needs to be “at issue” prior to the case being set for trial. The failure of the pleadings to be closed will not preclude the court from setting a case for trial. (Fla. R. Civ. P. 1.440).
5. INITIAL DISCOVERY DISCLOSURES:
  - A. Parties must make initial discovery disclosures required by Florida Rule of Civil Procedure 1.280 **within 60 days after the service of the complaint or joinder**, unless a different time is set by court order. Pursuant to Local Rule 10A, a party may file a motion for ex parte relief where no motion for extension of time has been filed and the nonmoving party has completely failed to comply with Florida Rule of Civil Procedure 1.280(a).
  - B. A party may not seek discovery from any source before that party’s initial disclosure obligations are satisfied, except when authorized by stipulation or by court order. (Fla. R. Civ. P. 1.280(f)(1)).
  - C. As set forth in Rule 1.280(a)(1), initial discovery disclosures include:
    1. The name and, if known, the address, telephone number, and e-mail address of each individual likely to have discoverable information--along with the subjects of that information--that the disclosing party may use to support its claims or defenses, unless the use would be solely for impeachment;
    2. A copy--or a description by category and location--of all documents, electronically stored information, and tangible things that the disclosing party has in its possession, custody, or control (or, if not in the disclosing party's possession, custody, or control, a description by category and location of such information) and may use to support its claims or defenses, unless the use would be solely for impeachment;
    3. A computation for each category of damages claimed by the disclosing party and a copy of the documents or other evidentiary material, unless privileged or protected from disclosure, on which each computation is based, including materials bearing on the nature and extent of injuries suffered; provided that a party is not required to provide computations as to noneconomic damages, but the party must identify categories of damages claimed and provide supporting documents; and
    4. A copy of any insurance policy or agreement under which an insurance business may be liable to satisfy all or part of a possible judgment in the action or to indemnify or reimburse for payments made to satisfy the judgment.
  - D. A party who has made a disclosure under this rule or who has responded to an interrogatory, a request for production, or a request for admission **must** supplement or

correct its disclosure or response: (a) in a timely manner if the party learns that in some material respect the disclosure or response is incomplete or incorrect, and if the additional or corrective information has not otherwise been made known to the other parties during the discovery process or in writing; or (b) as ordered by the court. (Fla. R. Civ. P. 1.280(g)).

6. NOTICE OF RELATED CASE(S) (i.e., cases involving the same parties, same subject matter or incident, or same property at issue): The Parties shall file a Notice of Related Case(s) within thirty (30) days from the date of this Order identifying any and all related cases.
7. ATTORNEY/PRO SE PARTY PREPARATION: Attorneys and self-represented litigants who appear at a case management conference **MUST** be prepared on the pending matters in the case, be prepared to make decisions about future progress and conduct of the case, and have authority to make representations to the court and enter into binding agreements concerning motions, issues, and scheduling. If a party is represented by more than 1 attorney, the attorney(s) present at a case management conference must be prepared with all attorneys' availability for future events. (Fla. R. Civ. P. 1.200(j)(3)).
8. ATTORNEY/PRO SE PARTY CERTIFICATION AND VERIFICATION REQUIREMENTS OF USE OF AI TECHNOLOGIES:

An attorney may ethically utilize AI technologies but only to the extent that the lawyer can reasonably guarantee compliance with the lawyer's ethical obligations. Attorneys must comply with Florida law and the applicable Rules Regulating the Florida Bar. (See Florida Bar Ethics Opinion 24-1 (Jan. 19, 2024)).

If any attorney or pro se party submits to the court any filing or submission containing AI-generated content, that attorney or pro se party must disclose the use of artificial intelligence on the face of the document **and** also must include a certification that the attorney or pro se party has personally reviewed and verified the content's accuracy. Failure to include this certification or comply with this verification requirement will be grounds for sanctions, as permitted by law.

  - A. **DEADLINES IN THIS CASE MANAGEMENT ORDER MUST BE STRICTLY ENFORCED UNLESS CHANGED BY COURT ORDER FOR GOOD CAUSE SHOWN. (Fla. R. Civ. P. 1.200(e)(1)).**
  - B. Notices of unavailability and/or inability to comply with the deadlines have no effect on the case management deadlines set by this order. If a party is unable to comply with a deadline, including due to the unavailability of hearing time, the party must take action consistent with Florida Rule of Civil Procedure 1.200(e)(1). (Fla. R. **THIS CASE MANAGEMENT ORDER SUPERSEDES ANY PRIOR CASE MANAGEMENT ORDER ENTERED IN THIS CASE.**

This case has been designated to the **COMPLEX BUSINESS CIVIL TRACK**. The deadlines established by this Order are to ensure the case is disposed of within **30** months from the date of service of initial process on the last defendant. Accordingly, the following procedures and deadlines shall be strictly observed by the parties and enforced by the court:

**1. SCHEDULING OF A MANDATORY CASE MANAGEMENT CONFERENCE:**

Counsel for the Plaintiff shall schedule an initial **MANDATORY** case management conference no later than **60** days after service on all parties. At least **20** days prior to the date of the mandatory case management conference, attorneys for the parties as well as any parties appearing pro se must confer

and prepare a joint statement, which must be filed with the clerk of the court no later than **14** days **before** the conference, outlining a discovery plan and stating:

- (A) numerous pretrial motions raising difficult or novel legal issues or legal issues that are inextricably intertwined that will be time-consuming to resolve;
- (B) management of a large number of separately represented parties;
- (C) coordination with related actions pending in one or more courts in other counties, states, or countries, or in a federal court;
- (D) pretrial management of a large number of witnesses or a substantial amount of documentary evidence;
- (E) the proposed limits on the time:
  - 1. to join other parties and to amend the pleadings;
  - 2. to file and hear motions;
  - 3. to identify any nonparties whose identity is known, or otherwise describe as specifically as practicable any nonparties whose identity is not known;
  - 4. to disclose expert witnesses; and
  - 5. to complete discovery;
- (F) the names of the attorneys responsible for handling the action;
- (G) the necessity for any protective orders to facilitate discovery;
- (H) proposals for the formulation and simplification of issues, including the elimination of frivolous claims or defenses, and the number and timing of motions for summary judgment or partial summary judgment;
- (I) the possibility of obtaining admissions of fact and voluntary exchange of documents and electronically stored information, stipulations regarding authenticity of documents, electronically stored information, and the need for advance rulings from the court on admissibility of evidence;
- (J) the possibility of obtaining agreements among the parties regarding the extent to which such electronically stored information should be preserved, the form in which such information should be produced, and whether discovery of such information should be conducted in phases or limited to particular individuals, time periods, or sources;
- (K) suggestions on the advisability and timing of referring matters to a magistrate, master, other neutral, or mediation;
- (L) a preliminary estimate of the time required for trial;
- (M) requested date or dates for conferences before trial, a final pretrial conference, and trial;
- (N) a description of pertinent documents and a list of fact witnesses the parties believe to be relevant;
- (O) number of experts and fields of expertise;

**(P)** any other information that might be helpful to the court in setting further conferences and the trial date period. **Lead trial counsel and a client representative must attend the initial case management conference.**

At the initial case management conference, the court will set the trial date period no sooner than **6 months and no later than 30 months** from the date of the conference unless good cause is shown for an earlier or later setting. Continuance of the trial of a complex action **should rarely be granted and then only upon good cause shown**. Any motion for continuance is governed by rule 1.460.

During the case management conference, the Court may elect to hear any pending motion, even if the parties have not identified the motion as an issue to be resolved. Motions for summary judgment and matters requiring an evidentiary hearing may not be heard unless agreed to by the parties and the court. (Fla. R. Civ. P. 1.200(j)(2)).

**On any matters ruled upon, unless otherwise ordered, within five (5) days following the Case Management Conference, counsel for Plaintiff(s) shall prepare an order pursuant to Florida Rule of Civil Procedure 1.200(j)(5).**

2. **COMPLAINT**: The Complaint shall be served within 120 days of filing. Failure to perfect service within 120 days shall subject the action to dismissal without prejudice or dropping of that party as a defendant. If plaintiff shows good cause or excusable neglect for failure to serve within 120 days, the court shall extend the time for service for an appropriate period. (Fla. R. Civ. P. 1.070(j)).
3. **NOTICE OF SERVICE OF COMPLAINT**: Upon service of the complaint on the last of all named defendants, the plaintiff will file a Notice of Service and provide a courtesy copy of the Notice of Service to the complex business judge. A fillable PDF form “Notice of Service” is available on the Circuit’s webpage ([www.17th.flcourts.org](http://www.17th.flcourts.org)).
4. **TRIAL**: Trial will be set in accordance with Florida Rule of Civil Procedure 1.440. The court will issue a separate Uniform Trial Order scheduling Calendar Call and setting the Trial Period. **The action no longer needs to be “at issue” prior to the case being set for trial. The failure of the pleadings to be closed will not preclude the court from setting a case for trial.** (Fla. R. Civ. P. 1.440).

5. INITIAL DISCOVERY DISCLOSURES:

A. Parties must make initial discovery disclosures required by Florida Rule of Civil Procedure 1.280 **within 60 days after the service of the complaint or joinder**, unless a different time is set by court order. Pursuant to Local Rule 10A, a party may file a motion for ex parte relief where no motion for extension of time has been filed and the nonmoving party has completely failed to comply with Florida Rule of Civil Procedure 1.280(a).

B. As set forth in Rule 1.280(a)(1), initial discovery disclosures include:

1. The name and, if known, the address, telephone number, and e-mail address of each individual likely to have discoverable information--along with the subjects of that information--that the disclosing party may use to support its claims or defenses, unless the use would be solely for impeachment;
2. A copy--or a description by category and location--of all documents, electronically stored information, and tangible things that the disclosing party has in its possession, custody, or control (or, if not in the disclosing party's possession, custody, or control, a description by category and location of such information) and may use to support its claims or defenses, unless the use would be solely for impeachment;
3. A computation for each category of damages claimed by the disclosing party and a copy of the documents or other evidentiary material, unless privileged or protected from disclosure, on which each computation is based, including materials bearing on the nature and extent of damages suffered; the party disclosing must identify categories of damages claimed and provide supporting documents; this disclosure includes any counterclaimant or third party plaintiff seeking damages; and
4. A copy of any insurance policy, bonding agreement or other agreement under which may be liable to satisfy all or part of a possible judgment or to indemnify or reimburse for payments made to satisfy a judgment.

C. A party may not seek discovery from any source before that party's initial disclosure obligations are satisfied, except when authorized by stipulation or by court order. (Fla. R. Civ. P. 1.280(f)(1)).

D. A party who has made a disclosure under this rule or who has responded to an interrogatory, a request for production, or a request for admission **must supplement** or correct its disclosure or response: (a) in a timely

manner if the party learns that in some material respect the disclosure or response is incomplete or incorrect, and if the additional or corrective information has not otherwise been made known to the other parties during the discovery process or in writing; or (b) as ordered by the court. (Fla. R. Civ. P. 1.280(g)).

6. NOTICE OF RELATED CASE(S) (i.e., cases involving the same parties, same subject matter or incident, or same property at issue): The Parties shall file a Notice of Related Case(s) within thirty (30) days from the date of this Order identifying any and all related cases.

P. 1.200(j)(3)).

DEADLINES IN THIS CASE MANAGEMENT ORDER MUST BE STRICTLY ENFORCED UNLESS CHANGED BY COURT ORDER FOR GOOD CAUSE SHOWN. (Fla. R. Civ. P. 1.200(e)(1)).

Notices of unavailability and/or inability to comply with the deadlines have no effect on the case management deadlines set by this order. If a party is unable to comply with a deadline, including due to the unavailability of hearing time, the party must take action consistent with Florida Rule of Civil Procedure 1.220(e)(1). (Fla. R. Civ. P. 1.200(f)-(g)).

8. ATTORNEY/PRO SE PARTY CERTIFICATION AND VERIFICATION REQUIREMENTS OF USE OF AI TECHNOLOGIES:

An attorney may ethically utilize AI technologies but only to the extent that the lawyer can reasonably guarantee compliance with the lawyer's ethical obligations. Attorneys must comply with Florida law and the applicable Rules Regulating the Florida Bar. (*See* Florida Bar Ethics Opinion 24-1 (Jan. 19, 2024)).

If any attorney or pro se party submits to the court any filing or submission containing AI-generated content, that attorney or pro se party must disclose the use of artificial intelligence on the face of the document **and** also must

include a certification that the attorney or pro se party has personally reviewed and verified the content's accuracy. Failure to include this certification or comply with this verification requirement will be grounds for sanctions, as permitted by law.

9. **Completion of the Case Management Order:**

The parties are directed to prepare a proposed case management order which must address each matter set forth under rule 1.200(d)(2) and set the action for a pretrial conference and trial.

**The case management order also must specify all of the following:**

If a party has named an expert witness in a field in which any other parties have not identified experts, the other parties may name experts in that field within **30** days thereafter. No additional experts may be named unless good cause is shown.
- B. Not more than **10** days after the date set for naming experts, **the parties must meet and schedule dates for deposition of experts and all other witnesses not yet deposed. At the time of the meeting each party is responsible for having secured three confirmed dates for its expert witnesses to be deposed.** Unless otherwise agreed, Plaintiffs experts shall be deposed first. Once the discovery schedule is filed, the deposition dates in the schedule may not be altered without consent of all parties or on order of the court. Failure to comply with the discovery schedule may result in sanctions in accordance with rule 1.380.
- C. Dates by which all parties are to complete all other discovery.
- D. **The attorneys for the parties as well as any parties appearing pro se must confer no later than 15 days prior to each case management conference or hearing.** The parties must notify the court immediately if a case management conference or hearing time becomes unnecessary. Failure to timely notify the court that a case management conference or hearing time is unnecessary may result in sanctions.
- E. The case management order may include a briefing schedule setting forth a time period within which to file briefs or memoranda, responses,

and reply briefs or memoranda, prior to the court considering such matters.

### UNIFORM CASE MANAGEMENT ORDER (CIRCUIT CIVIL STREAMLINED TRACK)

#### **ALL PARTIES MUST READ CAREFULLY/STRICT COMPLIANCE IS MANDATORY**

THE DEADLINES LISTED HEREIN **MUST** BE **STRICTLY ENFORCED** UNLESS CHANGED BY COURT ORDER. STRICT COMPLIANCE MEANS NO CONTINUANCES OR EXTENSIONS WILL BE GRANTED WITHOUT COURT ORDER UPON WRITTEN MOTION SETTING FORTH GOOD CAUSE, PURSUANT TO IN RE: AMEND. TO FLA. R. CIV. P., NO. SC23-0962 (December 5, 2024), FLA. R. CIV. P. 1.200, FLA. R. CIV. P. 1.460, AND FLA. R. GEN. PRAC. & JUD. ADMIN. 2.545(e).

FAILURE TO ATTEND A **MANDATORY** CASE MANAGEMENT CONFERENCE MAY RESULT IN THE COURT DISMISSING THE ACTION, ENTERING A DEFAULT, STRIKING THE PLEADINGS, LIMITING PROOF OF WITNESSES, OR ANY OTHER APPROPRIATE ACTION AGAINST THE PARTY FAILING TO ATTEND. (Fla. R. Civ. P. 1.200(j)(6)).

THIS CASE MANAGEMENT ORDER SUPERSEDES ANY PRIOR CASE MANAGEMENT ORDER ENTERED IN THIS CASE.

This case has been designated to the **STREAMLINED CIVIL TRACK**. The deadlines established by this Order are to ensure the case is disposed of within 12 months from the date of service of initial process on the last defendant or 120 days after commencement of the action as provided in rule 1.050, whichever occurs first. Accordingly, the following procedures and deadlines shall be strictly observed by the parties and enforced by the court:

1. **SCHEDULING OF A MANDATORY CASE MANAGEMENT CONFERENCE:**

☐ (Applicable if checked): A **MANDATORY** Case Management Conference will be held on zoom (\_\_\_\_\_) or in Courtroom \_\_\_\_\_ on \_\_\_\_\_ at \_\_\_\_\_ am/pm.

During the case management conference, the Court may elect to hear any pending motion, even if the parties have not identified the motion as an issue to be resolved. Motions for summary judgment and matters requiring an evidentiary hearing may not be heard unless agreed to by the parties and the court. (Fla. R. Civ. P. 1.200(j)(2)).

**On any matters ruled upon, unless otherwise ordered, within five (5) days following the Case Management Conference, counsel for Plaintiff(s) shall prepare an order pursuant to Florida Rule of Civil Procedure 1.200(j)(5).**

2. **COMPLAINT:** The Complaint shall be served within 120 days of filing. Failure to perfect service within 120 days shall subject the action to dismissal without prejudice or dropping of that party as a defendant. 3. NOTICE OF SERVICE OF COMPLAINT: Upon service of the complaint on the last of all named defendants in a civil action, the plaintiff will file a Notice of Service and provide a courtesy copy of the Notice of Service to the assigned trial judge. A fillable PDF form “Notice of Service” is available on the Circuit’s webpage ([www.17th.flcourts.org](http://www.17th.flcourts.org)).
4. TRIAL: Trial will be set in accordance with Florida Rule of Civil Procedure 1.440. The court will issue a separate Uniform Trial Order scheduling Calendar Call and setting the Trial Period. The action no longer needs to be “at issue” prior to the case being set for trial. The failure of the pleadings to be closed will not preclude the court from setting a case for trial. (Fla. R. Civ. P. 1.440).
5. INITIAL DISCOVERY DISCLOSURES:
  - A. Parties must make initial discovery disclosures required by Florida Rule of Civil Procedure 1.280 **within 60 days after the service of the complaint or joinder**, unless a different time is set by court order. A copy--or a description by category and location--of all documents, electronically stored information, and tangible things that the disclosing party has in its possession, custody, or control (or, if not in the disclosing party's possession, custody, or control, a description by category and location of such information) and may use to support its claims or defenses, unless the use would be solely for impeachment;
    3. A computation for each category of damages claimed by the disclosing party and a copy of the documents or other evidentiary material, unless privileged or protected from disclosure, on which each computation is based, including materials bearing on the nature and extent of injuries suffered; provided that a party is not required to provide computations as to noneconomic damages, but the party must identify categories of damages claimed and provide supporting documents; and
    4. A copy of any insurance policy or agreement under which an insurance business may be liable to satisfy all or part of a possible judgment in the action or to indemnify or reimburse for payments made to satisfy the judgment.

P. 1.200(j)(3)).
8. ATTORNEY/PRO SE PARTY CERTIFICATION AND VERIFICATION REQUIREMENTS OF USE OF AI TECHNOLOGIES:

Attorneys must comply with Florida law and the applicable Rules Regulating the Florida Bar. (See Florida Bar Ethics Opinion 24-1 (Jan. 19, 2024)).

If any attorney or pro se party submits to the court any filing or submission containing AI-generated content, that attorney or pro se party must disclose the use of artificial intelligence on the face of the document **and** also must include a certification that the attorney or pro se party has personally reviewed and verified the content's accuracy.
