I. General

Unless otherwise listed at a higher bond amount in the bond table attached hereto as Exhibit “A” and made a part hereof, the following bond schedule is established so that persons arrested for certain criminal offenses may be released on a bond prior to the person’s First Appearance hearing. This schedule is not intended to bind any judge conducting First Appearance hearings or bond hearings. Rather, any judge determining bond and/or conditions of release should consider the criteria set forth in section 903.046, Florida Statutes, and Florida Rule of Criminal Procedure 3.131.

1. For persons arrested for a crime listed in section 903.011(6), Florida Statutes, or who meet the criteria in section 903.011(6), Florida Statutes, or a person arrested for a crime designated as a dangerous crime in section 907.041(5)(a), Florida Statutes, or an unauthorized alien arrested for a forcible felony:
 - Bond: None
 - First Appearance Required
2. For persons not covered by number 1., arrested for third degree felony that involved any amount of force or threat of force against a person:
 - Bond: \$5,000
3. For persons not covered by number 1., arrested for a third degree felony that does not involve force or threat of force against a person:
 - Bond: \$2500

4. For persons not covered by number 1., arrested for a first degree misdemeanor or an ordinance punishable like a first degree misdemeanor that involves any amount of force or threat of force against a person:
Bond: \$1000
5. For persons not covered by number 1., arrested for a first degree misdemeanor or an ordinance punishable like a first degree misdemeanor that does not involve force or threat of force against a person and that is not driving under the influence or boating under the influence:
Bond: \$500
6. For persons not covered by number 1., arrested for a second degree misdemeanor or an ordinance punishable like a second degree misdemeanor that involves any amount of force or threat of force against a person:
Bond: \$250
7. For persons not covered by number 1., arrested for a second degree misdemeanor or an ordinance punishable like a second degree misdemeanor, that does not involve any force or threat of force against a person and that is not driving under the influence or boating under the influence:
Bond: \$150
8. For persons not covered by numbers 1. or 3., arrested for offenses pertaining to driving under the influence or boating under the influence, the bond shall be set in accordance with Exhibit "A", but such person may not be released from custody until the conditions set forth in section 316.193(9), Florida Statutes, have been met.

Pursuant to section 903.047(1)(a), Florida Statutes, and Florida Rule of Criminal Procedure 3.131(a), an arrested person released from jail before trial must refrain from criminal activity of any kind and must refrain from any contact of any type with any victim, except through pretrial discovery pursuant to the Florida Rules of Criminal Procedure. A violation of either of these conditions of pretrial release subjects the arrestee to revocation of bond.

Each crime of arrest requires a separate bond pursuant to Section 903.02(4), Florida Statutes, and Florida Rule of Criminal Procedure 3.131(b)(2).

At the time of release, the Broward Sheriff's Office will obtain the arrestee's current address, telephone number, and email address (if available).

Exhibit “A” can be amended from time to time without the necessity of amending this Administrative Order.

This Administrative Order supersedes and vacates Administrative Order 2025-27-Crim.

DONE AND ORDERED in Chambers, Fort Lauderdale, Broward County, Florida, this 31st day of December, 2025.
