SECTION I. COURT COSTS AND ASSESSMENTS WHERE HEARING IS HELD CIVIL TRAFFIC INFRACTIONS

A. Court costs and assessments for law enforcement training shall be assessed in the County Court in the sum of at least \$25.00 in the following cases:

1. In each civil traffic infraction case where a hearing is held to determine whether a civil infraction was committed, except where the alleged offender is found "not guilty" or the court determines that the traffic infraction was not committed. Such costs and assessments shall be assessed when any person admits that a civil traffic violation was committed and when the offender is found to have committed the infraction, notwithstanding that the Court may withhold setting a civil penalty or entering judgment thereon or, after setting a civil penalty, the Court may suspend its payment. Such court costs and assessments for law enforcement training shall be in addition to any civil penalty set or imposed by the Court.

2. Court costs, including the assessments for law enforcement training, shall not be waived by the Court except upon compliance with the provisions of Section 939.05, Florida Statutes.

B. The court costs and assessments for law enforcement training provided for in A above shall be paid by the Clerk of County Court and remitted on a monthly basis, as follows:

1. The first \$20.00 shall be paid to and retained by Broward County as court costs.
2. The next \$3.00 shall be paid and remitted to the Department of Revenue for deposit in the State treasury for law enforcement training; provided, however that no such assessment shall be made against any person convicted for violation of any state statute, municipal ordinance, or county ordinance relating to the parking of vehicles.
3. If Broward County or any municipality has adopted an ordinance assessing an additional \$2.00 for local law enforcement training and has filed a certified copy of such ordinance with the Clerk of County Court, then the next \$2.00 shall be paid to Broward County or to any such municipality for local law enforcement training, depending upon (a) whether the infraction or violation occurred or was committed within the unincorporated area of Broward County or within a municipality whose law enforcement services are provided by the Broward County Sheriff's Office, or (b) whether the infraction or violation occurred or was committed within the territorial jurisdiction of any such municipality; provided, however, that no such assessment shall be made against any person convicted for violation of any state statute, municipal ordinance, or county ordinance relating to the parking of vehicles. Such assessments shall be remitted by the Clerk to qualifying municipalities and Broward County on a monthly basis for local law enforcement training; provided, however, that if the municipal law enforcement services are or have been provided to any such municipality by the Broward County Sheriff's Office, then the next \$2.00 assessment shall be remitted to Broward County rather than to such municipality for local law enforcement training. In any case, where all of the provisions of this subsection 3 are not complied with, the said \$2.00 shall be paid to and retained by Broward County.
4. If the Court withholds adjudication after holding a hearing in a case involving a civil traffic infraction and only assesses court costs against the offender all court costs in excess of \$25.00 shall be paid to the municipality in which the civil traffic infraction was committed or to Broward County if committed in the unincorporated area of the county, and all such court costs in excess of \$25.00 shall be remitted by the Clerk on a monthly basis to such municipality or to Broward County.
5. If the Court directs the payment of "court costs" without specifying any dollar amount, the total sum of \$25.00 for court costs and assessment for law enforcement training is thereby assessed in addition to any penalty and/or fine imposed by the Court. Such \$25.00 shall be collected by the Clerk and paid and remitted as provided in B above.
