

MEMORANDUM RE: DIVISION 48

EFFECTIVE MARCH 20, 2020, Judge Jennifer Hilal will be on leave through June 30, 2020. During this time, the cases assigned to Division 48 will be handled by alternate judges as follows:

INSURANCE CASES: During this time, any **INSURANCE** cases from Division 48 needing hearings or other attention will be temporarily assigned to the following judges based on the LAST digit of the case number:

Case numbers ending 1 or 2	Judge Barner
Case numbers ending 3 or 4	Judge Benson
Case numbers ending 5	Judge McCarthy
Case numbers ending 6	Judge DiPietro
Case numbers ending 7	Judge Kanner
Case numbers ending 8	Judge Miranda
Case numbers ending 9	Judge Levey Cohen
Case numbers ending 0	Judge Lee

These cases will retain their assignment to Division 48 and will NOT be transferred into the assisting judge's division. However, until Judge Hilal's return, all her cases will be handled by the assigned judge as if the case were assigned to the assigned judge's division. This includes ALL **INSURANCE** cases, ALL hearings, and ALL trials, whether jury or bench.

Please note that counsel will not be able to access the online scheduling system in another division. However, the judicial assistant assigned to the alternate judge can do this. So for Judge Hilal's hearings, the alternate judge's judicial assistant will have to coordinate the hearing and place it on CMS.

CASES OTHER THAN INSURANCE: For all cases **OTHER THAN INSURANCE**, Senior Judge Lisa Flanigan will be handling these. ALL HEARINGS will have to be coordinated through Judicial Assistant Bibi Khan at 954.831.7898. Online scheduling will NOT be available for Division 48 during this time, so all hearings will have to be set through the Judicial Assistant.
