ADMINISTRATIVE ORDER AS TO JURY MANAGEMENT

(a) Florida Rule of General Practice and Judicial Administration 2.215 (b) (3) states the chief judge “shall, considering available resources, ensure the efficient and proper administration of all courts within [this] circuit.”

(b) In order to ensure jury management for the Seventeenth Judicial Circuit and Broward County courts operates in a manner that guarantees the constitutional right to trial by jury and simultaneously optimizes citizen jurors’ valuable time, in accordance with the authority vested in the chief judge by Florida Rule of General Practice and Judicial Administration 2.215, it is hereby **ORDERED** as follows:

(1) The Chief Judge and Judge Carol-Lisa Phillips shall have primary responsibility for ensuring the effective and efficient operations of jury management for the Broward County and Seventeenth Judicial Circuit courts by the Clerk of the Courts. Judge Carol-Lisa Phillips shall resolve all disputes with regard to jury panels or jury related issues, with the advice and consent of the Chief Judge, as needed.

(2) Judge Carol-Lisa Phillips is designated as the jury management judge.

(3) For purposes of determining the maximum number of jurors to summon, the Clerk of the Courts shall comply with the panel size guidelines indicated in the attached table. The Clerk of the Courts shall issue sufficient summonses so that 325 individuals are available to serve on jury panels on Monday, Tuesday, or Wednesday. The Clerk of the Courts shall advise all jurors as to the locations for parking as determined by the Broward County Board of Commissioners. The Clerk of the Courts shall issue sufficient summonses, based upon judicial requests for panels in excess of the attached table, so that individuals are on call to serve on jury panels on Wednesday, Thursday, or Friday.

(4) The presiding judge of any trial should always strive to not deviate from the panel size guidelines as indicated in the attached table on Monday, Tuesday, or Wednesday, except for felony capital cases. Panels which deviate from the attached guidelines shall only be available on Wednesday, Thursday, or Friday.

(5) Prompt notification of the number of prospective jurors to summon and when the jurors will be needed must be provided to the jury manager as designated by the Clerk of the Courts. To preserve priority, this notice **must** be provided to the jury room on the Clerk of the Courts form and be physically clocked in no later than 3:00 p.m. the business day before the panel is desired. The Clerk of the Courts on Monday, Tuesday, or Wednesday will provide panels as set forth in the attached table. The Clerk of the Courts shall provide panels in excess of the attached table only on Wednesday, Thursday, or Friday.

(6) A judge may not dismiss a juror from the courtroom, except for language, health, or family reasons. Any unused or dismissed jurors shall be promptly returned to the jury room.

(7) If a panel is not retrieved by the presiding judge within one (1) hour of the time specified on the form provided to the jury manager the panel shall be released back to the general jury pool. If the presiding judge thereafter determines that a panel is required that day, the presiding judge may request a panel if sufficient individuals are present and not assigned to another panel. All judges should make all efforts to pick up morning jury panels no later than 11:45 a.m. and afternoon panels no later than 2:30 p.m. All judges should be mindful of juror family and transportation issues in determining when to begin jury selection and the hours to be worked by a jury. Absent particularly unusual circumstances, jurors should not be asked to work beyond normal courthouse working hours.

(8) If a presiding judge should need to hold a panel of **sworn** jurors out of the courtroom for longer than one (1) hour, the presiding judge may return the panel to the jury room for the jurors comfort. Any judge holding a panel for selection should personally address the panel and thank them for their service before being returned to the jury room or excused from jury service. No judge should return a jury panel overnight unless the panel has been sworn for questioning and inquiry has been made as to their availability to return for jury service.

(9) In accordance with the Supreme Court Administrative Order, the Seventeenth Judicial Circuit establishes the following guidelines for cases seeking panels in excess of the attached guidelines:

- a. A judge desiring a panel of fifty (50) or more individuals must submit the request in writing to the jury room on the Clerk of the Courts form at least six (6) weeks prior to the date needed.

A copy of the schedule shall be sent to the Chief Judge, Jury Management Judge, and the Trial Court Administrator for dissemination to all judges. In the event a judge is not able to serve on his or her assigned day or days, the judge is responsible for securing a replacement judge and advising the Clerk of the Court Jury Administration, in writing by memorandum, of his or her replacement. Nothing herein precludes a judge who is not designated to qualify jurors from volunteering to cover another judge's assigned day or days, provided such judge provides the Clerk of the Court Jury Administration with notice in writing.

(12) This Administrative Order vacates and supersedes Administrative Order 2017-37-Gen.
